Dear Sir:

Attached is Form PTO/SB/44.

The exact page and line number where the error is shown correctly in the originally filed specification on February 12, 2002, is on page 15, line 6 of claim 27. The Examiner's Amendment of June 3, 2004, page 2 indicates a change to line 6 of claim 27, "after "the distal region" insert -and a plurality of openings beside the port--". This change did not specify replacing or deleting the words "the distal region". Therefore the correction should read, "a tip disposed at the distal region and a plurality of openings beside the port,".

Please send the Certificate to Customer No.: **28075**.

Respectfully submitted,

Date:
